Street improvements
Night works

We're working hard at transforming our streets and public spaces to make them safer, accessible, and more inviting for everyone, especially people walking and riding bikes. Our yearly program of renewal and upgrade works across the local area focuses on essential infrastructure.

Sydney Civil will continue works on your street for the City of Sydney.

Street:	Crown Street, Surry Hills
Section:	Intersection of Albion Street Outside Crown Street Public School
Start Date:	10 November 2025
Duration:	Two weeks
Working Hours:	7pm to 5am – Monday to Friday

What we're doing
Clean and seal of pavers

Managing our impacts
There will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access. These works are needed outside of standard hours to manage traffic safely when we need to provide detours for people walking or stop and reduce traffic lanes.

For your safety, please follow signs and be aware of any changed conditions.

Weather impacts
We'll aim to resume work the next day due to weather events. If poor weather persists, we'll keep you informed of any changes to the schedule.
