Street improvements

We're working hard at transforming our streets and public spaces to make them safer, accessible, and more inviting for everyone, especially people walking and riding bikes. Our yearly program of renewal and upgrade works across the local area focuses on essential infrastructure.

Sydney Civil will start works on your street for the City of Sydney.

Street:	Hardie Street, Darlinghurst
Section:	between Burton Street to Darlinghurst Road
Start Date:	7 September 2026
Duration:	Six weeks
Working Hours:	7:30am to 5:30pm – Monday to Friday 7:30am to 3:30pm - Saturday

What we're doing
Kerb, gutter and footpath renewal

Managing our impacts
There will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access. We'll aim to keep access open where possible. There may be times when temporary closures are needed to complete works safely. We'll contact you if we need to temporarily restrict access to progress our work.

For your safety, please follow signs and be aware of any changed conditions.

Weather impacts
We'll aim to resume work the next day due to weather events. If poor weather persists, we'll keep you informed of any changes to the schedule.
