

30 October 2024**George Street North Pedestrianisation (GSNP)****Reminder: Upcoming construction work in your street**

Sydney Civil are working to improve George Street between Hunter Street and Essex Street, Sydney as well as selected side streets as part of the wider George Street North Pedestrianisation project.

Over the coming months, we will install new granite paving, upgrade the stormwater drainage, planting new trees and installing street furniture to make the pedestrian boulevard on George Street more accessible to people.

Street: George Street

Section: Between Essex Street to Hunter Street (east and west side)

Types of work: Footpath Improvements Including:

- Excavation
- Concrete
- Paving

Weekend work dates: 8pm Friday 06 November to 5am Monday 11 November

Working hours: Works will take place continuously from 8pm Friday to 5am on Monday during the weekend listed above. To minimise our impacts and to work during a light rail services shutdown 6 to 11 November, when no light rail services are operating. This will ensure the safety of our workers and the community.

What to expect during construction work

As the City of Sydney's contractor, Sydney Civil will take steps to minimise potential impacts during construction works.

However, there will be machinery noise, temporary restrictions to vehicle parking/loading zones, temporary lane closures and temporary pedestrian detours. Please follow the direction of signage and traffic controllers. We will also erect temporary fencing and install barriers to create a safe working area for our construction team and the community.

Access to all businesses (retail, cafes, offices and driveways) will remain open during the construction works.

In the event of wet weather, unexpected ground conditions or other delays, work will commence the following day. If a delay continues, we will notify of the change in scheduling. Please register with us to receive email and/or SMS updates.
