

7 July 2026

George Street North Pedestrianisation (GSPN)

Upcoming construction work in your street

Sydney Civil are working to improve George Street between Hunter Street and Essex Street, Sydney as well as selected adjacent streets as part of the wider George Street North Pedestrianisation project.

Works along George Street, which include installing new granite paving, upgrading the stormwater drainage, planting new trees and installing street furniture is well advanced.

George Street North Pedestrianisation Project

Street:	Intersection of York & Margaret Street
Types of work:	Stormwater work, traffic signal upgrade work, lighting work, kerb and gutter work and footpath work.
Work times:	7.00am to 5.00pm Saturday 8.00am to 5.00pm Sunday
Work Dates:	From 11 July 2026 for six weeks

What to expect during construction work

As the City of Sydney's contractor, Sydney Civil will take steps to minimise potential impacts during construction works. Please note some Sunday day works may be required depending on approved road occupation permits Issued by the relevant road authorities.

However, there will be machinery noise, temporary restrictions on vehicle parking, temporary changes to vehicle access, temporary closures of driveways, and temporary pedestrian detours. Please follow the direction and signage of our traffic controllers. We will also erect temporary fencing and install barriers to create a safe working area for our construction team and the community.

In the event of wet weather, unexpected ground conditions or other delays, work will commence the following day. If a delay persists, we will notify you of any scheduling changes. Please register with us to receive email and/or SMS updates.

Contact us

If you have any questions or would like more information, please contact our community team at community@sydneycivil.com or phone **1300 997 858**. You can also learn more online at community.sydneycivil.com.
