George Street North Pedestrianisation (GSPN)

Upcoming construction work in your street

Sydney Civil are working to improve George Street (west side) between Hunter Street and Essex Street, Sydney as well as selected side streets as part of the wider George Street North Pedestrianisation project.

Over the coming months, we will install new granite paving, upgrade the stormwater drainage, planting new trees and installing street furniture to make the pedestrian boulevard on George Street more accessible to people.

George Street North Pedestrianisation Project

Street:	George Street
Section:	Intersection of Bond Street
Types of work:	Street improvements including construction of the Bond Street side plaza - new terraces, footpath widening and upgrade, underground utilities/services adjustments, drainage, and road improvements.
Stage 1 work dates:	From Monday 19 January for up to 12 weeks, weather permitting
Working hours:	Day works from 7:30am to 4:30pm Mondays to Saturdays Night works may be required and community will be notified.

Footway changes: Minimal impact on footpaths is expected, and access to premises will be maintained at all times. Construction work which requires partial closures will be consulted on a case-by-case basis with individual properties.

What to expect during construction work

As the City of Sydney's contractor, Sydney Civil will take steps to minimise potential impacts during construction works.

However, there will be machinery noise, temporary restrictions to vehicle parking/loading zones, temporary lane closures and temporary pedestrian detours. Please follow the direction of signage and traffic controllers. We will also erect temporary fencing and install barriers to create a safe working area for our construction team and the community.

Access to all businesses (retail, cafes, offices and driveways) will remain open during the construction works.

In the event of wet weather, unexpected ground conditions or other delays, work will commence the following day. If a delay continues, we will notify of the change in scheduling. Please register with us to receive email and/or SMS updates.
