George Street North Pedestrianisation (GSNP)

Upcoming construction work in your street

Sydney Civil are working to improve George Street (west side) between Hunter Street and Essex Street, Sydney as well as selected side streets as part of the wider George Street North Pedestrianisation project.

Final stages of this exciting project Including new granite paving, stormwater drainage, planting new trees and installation of street furniture will soon be completed to make the pedestrian boulevard on George Street more accessible to people.

Further to this, investigation works are taking place to support the design process of the last stage of the project, between Essex Street and Alfred Street.

Read more about the construction works planned to support businesses at: **www.cityofsydney.nsw.gov.au/improving-streets-public-spaces/extending-pedestrian-boulevard-george-street-sydney**

Street:	George Street
Section:	Intersection of Grosvenor Street
Types of work:	Asphalt and paving works

Street:	George Street
Section:	Between Essex Street and Alfred Street
Types of work:	Potholing works required for developing the design for this next stage

Dates:	**From Saturday 5th December - Monday 7th December**
Working hours:	**Works will take place continuously from 7am on Saturday to 5am on Monday**

Please note works will be continuous during the above stated dates and are conducted taking advantage of a planned Light Rail shutdown where Light Rail vehicles won't be operating making the completion of the above work safer and be completed in a much quicker timeframe.

What to expect during construction work

As the City of Sydney's contractor, Sydney Civil will take steps to minimise potential impacts during construction works.

However, there will be machinery noise, temporary restrictions to vehicle parking/loading zones, temporary lane closures and temporary pedestrian detours. Please follow the direction of signage and traffic controllers. We will also erect temporary fencing and install barriers to create a safe working area for our construction team and the community.
