

5 August 2026

Primrose Quietway Project Primrose Avenue, Rosebery

As part of the Primrose Quietway project presently under construction, Sydney Civil will conduct night works on your street on behalf of the City of Sydney.

Street: Primrose Avenue between Crewe Place and Morley Avenue
Type of work: Asphalt Road re-sheeting
Start date: 11 August 2026 & 13 August 2026
Duration: Two nights (weather permitting)
Working hours: 8pm to 5am

Minimal to zero vehicle movement would be appreciated during these works. Please follow all directions from traffic controllers to assist with the completion of the scope.

We will work to minimise impacts during this time. There will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

Thank you for your patience while we complete these important works. We're working hard at transforming our streets and public spaces to make them safer, accessible and more inviting for everyone, especially people walking and riding bikes.

More information

For information about the site and its impacts on you please contact Sydney Civil community relations team on 1300 997 858 or email community@sydneycivil.com

Yours sincerely,
Sydney Civil project team
