Street improvements

We're working hard at transforming our streets and public spaces to make them safer, accessible, and more inviting for everyone, especially people walking and riding bikes. Our yearly program of renewal and upgrade works across the local area focuses on essential infrastructure.

Sydney Civil will start works on your street for the City of Sydney.

Street:	Fountain Street, Alexandria
Sections:	Intersection of Fountain Street and Belmont Street
Start Date:	9 November 2026
Duration:	Seven weeks
Working Hours:	7.30am to 5.30 pm Monday to Friday 7am to 5pm on Saturday and Sunday 8pm to 4am Monday to Sunday

What we're doing

Cycleway installation, pedestrian crossings, streetlights and drainage upgrades

Managing our impacts

There will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access. We'll aim to keep access open where possible. There may be times when temporary closures are needed to complete works safely. We'll contact you if we need to temporarily restrict access to progress our work.

For your safety, please follow signs and be aware of any changed conditions.

Weather impacts

We'll aim to resume work the next day due to weather events. If poor weather persists, we'll keep you informed of any changes to the schedule.
