George Street North Pedestrianisation (GSNP) Night work in your street

Sydney Civil are working to improve George Street between Hunter Street and Essex Street, Sydney as well as selected side streets as part of the wider George Street North Pedestrianisation project.

Street:	Margaret Street
Section:	Between Carrington Street and York Street
Type of work:	underground investigation work
Start date:	24 February 2025
Duration:	5 nights
Working hours:	8pm to 5am

Saw cutting of the road will be carried out on Saturday 22 February 2025 between 3pm to 7pm.

What to expect during construction work

As the City of Sydney's contractor, Sydney Civil will take steps to minimise potential impacts during construction works.

However, there will be machinery noise, temporary restrictions to vehicle parking/loading zones, temporary lane closures and temporary pedestrian detours. Please follow the direction of signage and traffic controllers. We will also erect temporary fencing and install barriers to create a safe working area for our construction team and the community.

Access to all businesses (retail, cafes, offices and driveways) will remain open during the construction works.

In the event of wet weather, unexpected ground conditions or other delays, work will commence the following day. If a delay continues, we will notify of the change in scheduling. Please register with us to receive email and/or SMS updates.
