ROSEBERY QUIETWAY CONSTRUCTION

Street: Epsom Road, Spring Street & Steadman Street

Section: Stage 1 - Spring Street between Epsom Rd and Stedman Street

The City of Sydney has appointed Sydney Civil to construct the Rosebery quiet way. We will soon be working hard at transforming these streets to make them safer, accessible and more inviting for everyone.

What can you expect

Works start: 29 September 2025

Work Times: 7:30am and 5:30pm Monday to Friday, 7:30am and 3:30pm Saturday.
Night works will be required for Epsom Road and Spring Street intersection.

Work duration: Stage 1 is scheduled to take 3 months, weather permitting.

We appreciate your understanding

We will work to minimise construction impact during this time. There will be some machinery noise, temporary restrictions to vehicle parking and to access for pedestrians and vehicles.

If there is wet weather, we will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your cooperation while we carry out these important works.
