

5 February 2026

George Street North Pedestrianisation (GSPN)

Upcoming construction work in your street

Sydney Civil are working to improve George Street between Hunter Street and Essex Street, Sydney as well as selected adjacent streets as part of the wider George Street North Pedestrianisation project.

Works along George Street, which included installing new granite paving, upgrading the stormwater drainage, planting new trees and installing street furniture is well advanced. Work remains mainly on side streets which has resumed for 2026, including areas which pertain to this letter.

Read more about the construction works planned to support businesses at: www.cityofsydney.nsw.gov.au/improving-streets-public-spaces/extending-pedestrian-boulevard-george-street-sydney

George Street North Pedestrianisation Project

Streets:	Wynyard Street and Wynyard Lane
Types of work:	Street improvement including upgrade to drainage and lighting infrastructure as well as new granite pavement construction.
Work dates:	From Sunday 15 February for up to 12 weeks for Stage1, weather permitting (note further stages will be required, for which separate communications will be issued)
Working hours:	Night works from 8:00pm to 4:30am Sunday to Thursday. Full closure. Day works (weekday): 7am-5pm. Access maintained. Day works (weekend): 7am-5pm. Full closure.

What to expect during construction work

As the City of Sydney's contractor, Sydney Civil will take steps to minimise potential impacts during construction works.

However, there will be machinery noise, temporary restrictions to vehicle parking, temporary changed conditions to vehicle access, temporary closures to driveways and temporary pedestrian detours. Please follow the direction and signage of our traffic controllers. We will also erect temporary fencing and install barriers to create a safe working area for our construction team and the community.

Due to the detailed nature of the staged approach required to complete the scope for this sensitive area, our Community Liaison Officer will consult on a case-by-case basis with affected stakeholders, in order to coordinate best time for works to be carried out in front of each property. Your assistance with this process will help plan the works in a way we lessen the impact and expedite the construction process.

In the event of wet weather, unexpected ground conditions or other delays, work will commence the following day. If a delay continues, we will notify of the change in scheduling. Please register with us to receive email and/or SMS updates.

Contact us

If you have any questions or would like more information, please contact our community team at **community@sydneycivil.com** or phone **1300 997 858**. You can also learn more online at **community.sydneycivil.com**. Register with Sydney Civil to receive our construction progress email updates.

Please pass on this important information to your local contacts and tenants.

Thank you for your patience and cooperation while we complete these important works.

*Yours sincerely,
George Street North project team*
