

Crown Street Upgrade

Construction Update 3 | December 2024

Pictured above: Recently upgraded footway on Crown Street near Albion Street (west).

Our upgrade will make Crown Street greener, help increase passing trade for local businesses and make it easier for people to walk. We will install upgraded footpaths, new garden beds, alfresco dining, new lighting, and around 40 more trees.

Work completed to date

Since July 2024, we have completed footway upgrades at the following locations, with finishing works remaining:

- Intersection of Goulburn Street
- Intersection of Little Oxford Street
- Albion Street to Campbell Street (west)
- Intersection of Jesmond Street
- Albion Street to Foveaux Street (east and west)
- Foveaux Street to Collins Street (along Shannon Reserve)
- Rainford Street to Davies Street: Ausgrid underground electrical work and private connections
- Jesson Street to Tudor Street: Ausgrid underground electrical work and private connections.

Thank you to everyone for their patience and cooperation during construction work.

Three month lookahead – January to March 2025

In an effort to minimise construction impacts for businesses during busy summer trading period, the next section of Crown Street to be upgraded is:

- Jesson Street to Arthur Street.

We will continue to notify businesses and residents in advance of upcoming work.

From January 2025: Crown Street between Jesson Street to Arthur Street

- Site set up including parking removal, fencing installation, materials/equipment storage and tree protection installation
- Demolition of kerb and gutter (in sections)
- Trenching to install stormwater drainage line (in sections), removal of power poles
- Build new kerb and gutter, drainage pits
- Demolition of footpath (in sections)
- Build new footpath with concrete base and paved finish (in sections)

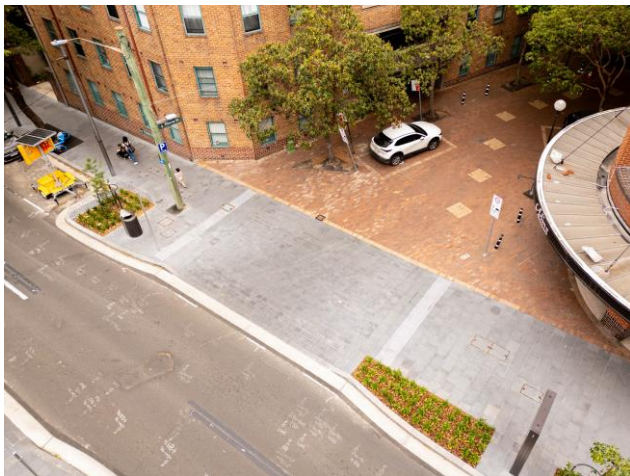

- Build new continuous footpath treatment at the intersection of Arthur Street
- Clean and seal pavers and install smartpoles.
- Planting new street trees and garden beds
- Installing new smartpoles, signage and linemarking
- Minor finishing works, materials/equipment and fencing removal.

Temporary traffic changes

Throughout our work there are temporary parking, access and traffic changes on Crown Street and side streets to create safe work environment for our workers and the community. Traffic control and signage will be in place. Please follow the direction of traffic controllers. Traffic changes across the next three months includes:

- Temporary parking removal (in sections)
- Temporary footpath closures with temporary detours
- Temporary parking lane changes
- Temporary relocation of bus stops.

Year-end break from construction

From Saturday 21 December to Monday 13 January our project site will be closed over the holiday period. We wish you and your loved ones a safe and happy holiday season. We look forward to a productive 2025 working with the Crown Street community.

Standard construction hours Contact us

Construction work will be carried out generally during the day between **7:30am and 5:30pm Monday to Friday** and **7:30am to 3:30pm on Saturdays**. We aim to minimise night works as much as possible, however, if night work is required, we will provide notification in advance to nearby residents and businesses.
