

31 July 2026

ROSEBERY QUIETWAY CONSTRUCTION TEMPORARY STREET CLOSURE

Street: Primrose Avenue and Crewe Place, Rosebery
Section: At the above intersection

The City of Sydney has engaged Sydney Civil to deliver the Rosebery Quiet Way project. This letter follows the notice distributed by the City of Sydney Council in late 2025 announcing the start of the project.

We have started works at transforming Primrose Avenue, to make it safer, accessible and more inviting for all road users.

What can you expect

Works start: 11 August 2026
Work Times: 7:30am and 5:30pm Monday to Friday, 7:30am and 3:30pm Saturday.
Night works will be required, and separate notices will be issued as required.
Work duration: Approximately 2 months.
Type of work: Asphalt and planter garden bed construction

We appreciate your understanding

We will work to minimise construction impacts during this period. Please note that the intersection of Primrose Avenue and Crewe Place will be closed for the duration of the works. Follow all directions from traffic controllers and observe the posted detour signs.

There will be machinery noise, and temporary restrictions to vehicle and pedestrian access for the duration of works.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

For these works, you will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your cooperation while we carry out these important works.
