Improving Crown Street, Surry Hills Upcoming work in your street

We're ready to start works to upgrade Crown Street raised thresholds located between Albion Street and Oxford Street.

Street:	Crown Street
Section:	Between Albion Street and Oxford Street
Type of work:	Raised thresholds reconstruction outside 344 Crown Street and 280 Crown Street
Start date:	Monday 30 September 2024, weather permitting
Duration:	Up to 2 weeks, weather permitting
Working hours:	Works will take place from 7am to 5:30pm on weekdays and 7am to 3:30pm on Saturdays excluding public holidays.

What to expect during construction work

To minimize disruptions to traffic on Crown Street during these works, detour routes will be in place 24/7. Please be sure to follow the directions of traffic controllers at all times.

The City's contractor, Sydney Civil will take steps to minimise potential impacts. However, there will be machinery noise, temporary restrictions to vehicle parking and temporary alternative pedestrian access.

We will also erect temporary fencing and install water-filled barriers to create a safe working area for our construction team and the community.

In the event of wet weather or other delays, work will commence the following day. If unsuitable weather or other delays continues, we will notify of the change in scheduling. Please subscribe to receive email updates.
