Work in your street

Day and night work – Crown Street Upgrade – Crown Street, Surry Hills

Sydney Civil will soon start works on your street on behalf of the City of Sydney.

Street:	Crown Street
Section:	Intersection of Foveaux Street
Type of work:	underground utilities/services relocations
Start date:	09 September 2024
Duration:	Up to 4 weeks
Working hours:	Works will take place from 7am to 5:30pm on weekdays and 7am to 3:30pm on Saturdays excluding public holidays. Night work will commence on 16 September 2024 from 8pm to 5am - Monday to Thursday.

We will work to minimise impacts during this time. There will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access.

If there is wet weather, our contractors will try to start the work the next day. If unsuitable weather continues, we will update you on any changes to the schedule.

You will still be able to access properties in the street. We will contact you if we need to temporarily restrict access to progress work.

Thank you for your patience while we complete these important works. We're working hard at transforming our streets and public spaces to make them safer, accessible and more inviting for everyone, especially people walking and riding bikes.
