What we're doing

Footpath Renewal

Managing our impacts

There will be some machinery noise, temporary restrictions to vehicle parking and changes to pedestrian access. We'll aim to keep access open where possible. There may be times when temporary closures are needed to complete works safely. We'll contact you if we need to temporarily restrict access to progress our work.

For your safety, please follow signs and be aware of any changed conditions.

Weather impacts

We'll aim to resume work the next day due to weather events. If poor weather persists, we'll keep you informed of any changes to the schedule.
